The Widow's Mite

There are a great variety of characters in our readings to brighten up this dreary November weekend! There's Elijah, a prophet, a widow in the first reading, the scribes in the gospel, another widow who puts in her two coins, the scribes congratulating themselves and Jesus watching events.

The widow in the gospel makes what appears to be little go a long way. While she doesn't have many coins she has a depth and richness of faith. She succeeds in life while the scribes looking on are miserable and eventually fail.

In November, as we remember and pray for the dead, we delve into that rich resource of faith to see life with hoe and pray for eternal life for those who have died. Our faith brightens our lives and shows us the way.

Parish Finance – Thank You

Many people now use the Donate Button on the Parish website to support the parish and priests. This is really appreciated in these challenging times for everyone.

Welcome and Thank You

Thoughts

The cartoon (from www.agnusday.org) helps to emphasise a point made in the YouTube video: not to leave the Gospel in the past (aimed the scribes) nor to use it simply to point to others (i.e. our spiritual leaders). Instead, we are called to bring the Gospel message into our personal present. Mark is still teaching about discipleship, this time as the common foundation for leadership in the faith community. What is expected of leaders is expected of us all, no more, no less.

MORNING MASSES:

There will be NO MORNING MASSES on 15th – 18th November Monday to Thursday inclusive as the Bishop and Clergy of the Diocese will be attending a Planning Conference.

Thought for the day

Money can easily distort our attitudes and values. It is tempting to react more warmly to those who give more generously—we all do it. It is easy to overlook the motive behind giving and focus, not on the giver, but on the gift. We do have the expression that it's the thought that counts. Usually, though, such proverbial wisdom is employed to help me/us be consoled when some expectation was not realised. Thus, this apparently consolatory thought acknowledges the tendency to the opposite, the attraction to the gift as such!! The Lord, however, reads our hearts.

Prayer

Lift us up, O Lord, that we may always value what really matters, the heart and not the appearances, the giver and not the gift. When we give, help us remember that you love the cheerful giver, giving from the heart.

Reflections

1. The scribes are presented as ostentatious and devious, acting more out of self-interest than the love of God or people. There can be a element of selfinterest in each of us. Perhaps there have been times when you have been disturbed by glimpsing in yourself 'other motives' in your doing good. Recall when you were awakened to this fact. Where was the good news for you in these experiences?

2. In material terms what the widow had to offer was very little. Recall when you felt yourself called to give and gave even though you apparently had very little. Perhaps you have had the experience of finding that what you thought was little and insignificant meant a great deal to another person. Recall some of those moments.

3. The widow 'gave everything she had, all she had to live on'. In doing so she placed herself in a very vulnerable position, trusting that things would work out. Have you ever found that what seemed a generous but reckless giving of yourself proved life-giving for yourself and others?

PRAYER

God, our provider you are the orphan's hope and the widow's bread. Strengthen our faith, that with simplicity of heart we may come to trust in you alone and hold back nothing in serving you. Amen.

We welcome back our Parish Choir after a long layoff. They have been practicing every Thursday these last few weeks. If 'to sing is to pray twice' we are all blessed! Thanks to them all for enhancing our liturgy every Sunday. Go raibh maith agaibh
